Reference Materials for PMI Agile Certified Practitioner (PMI-ACP)® Examination

The following is a list of publications that candidates may find helpful when preparing for the PMI Agile Certified Practitioner (PMI-ACP) examination. Training providers may also find these references helpful in the preparation of educational courses. After carefully reviewing the examination blueprint and identifying learning needs, candidates and training providers may wish to identify additional resources and study opportunities, as necessary.
Please note that this list may be updated from time to time to maintain currency.
